5 Read this text and underline the adjectives.

I find Geography more difficult than History. For me Maths and Physics are the most difficult subjects. Our Maths teacher is very popular. She is the most popular teacher of our class. She is the most friendly teacher here. She is as fun as our PE teacher. She likes games more than anything else. She brings really interesting logic games to school. Maths is less boring and less difficult when we can play and do experiments.

What about you? What is your favourite subject? Why?

6 Complete the sentences and then describe the picture.

tiring
more tiring
less expensive
the most tiring
the least tiring
the most expensive
the most comfortable
the least comfortable

Walking with a rucksack isn't _____

Carrying heavy suitcases is more _____ than _____

Travelling by taxi is the most _____ way to travel.

Taking a crowded bus is _____

7 Whose car is the best? Which one would you like to buy?
Colour in the cars and then talk about them with your classmate.

The red car is not as modern as the brown car.

It is less comfortable than the brown one.

modern
expensive
beautiful
comfortable

8 Play **NOUGHTS AND CROSSES** with a friend.
You can get the squares if you write a correct comparative sentence with the adjectives or about the vehicles.

Flying a hot air balloon is more difficult than rowing.

Buses are more polluting than trolley buses.

more polluting				less comfortable	
		the most relaxing			the fastest
	healthy		polluting

1 G _ _ P _ _ T

2 T

3 T _ _ W

4 C * C

5 W _ _ D

6

7 _ _ _ _ _ * _ _

8

9 P _ _ S _ _ C * R

10

13 Let's make an unsinkable boat.

You will need:

- something that floats
- a big bowl of water
- some cargo

You mustn't use toy boats.

1. Make the boat.
2. Put it on the water.
3. Load it to find out how strong your boat is. Then complete this table.
4. Test other boats too.

What is the least sinkable boat made of? What size is it? How much can it carry? How deep does it sink in fresh water and in salty water?

	Material	Size	Cargo	Sinking in fresh water	Sinking in salty water
Boat 1					
Boat 2					
Boat 3					
Boat 4
